Meet in Middleton

Talbot Hotel Middleton is ideally located just 5 minutes walk from the charming town of Middleton, and 20 minutes from Cork City, accessible by regular train and bus services.

Our function spaces can cater for meetings and events of all sizes, whether you're looking to hold a one-to-one interview off-site or a conference for up to 250 people.

Our experienced team will ensure your booking is handled with the precise care and organisation needed, from the initial inquiry to final sign off.

We also have 82 spacious and recently renovated bedrooms meaning multi-day meetings and events can take place with delegates staying on-site.

If you have any questions or require assistance, just email events@talbothotelmiddleton.ie and one of our team will be in touch.

Meeting Rooms

Jameson Suite:

The Jameson Suite is our largest function room and is popular for conferences and events with numbers of 100 or more. We can cater for up to 250 people in this room, dependent on the layout, and it measures 20.5m x 16.5m.

Previous clients who have used our Jameson Suite have commented on the space, saying 'it was lovely and spacious meaning our employees could socially distance, if necessary' and also on the flexibility of the room, saying 'we were able to host a training session for staff in the afternoon and return for a sit down dinner later in the evening, it was ideal.'

The Jameson Suite has a private bar that can be accessed during your function and is equipped with an in-room AV system including microphone, projector and screen.

Meeting Rooms

Garden Suite:

The Garden Suite is 12m x 10.5m in size and has ample natural lighting due to it's location, next to our private gardens. This room is very popular for company parties, get-togethers and meetings for up to 80 people.

We have had some great feedback from previous event organisers in the Garden Suite including 'it was so nice to have access to the gardens for our party, the sun was shining so everyone enjoyed drinks on the lawn before eating inside.'

The Garden Suite has a private bar and AV capabilities and sole access to our private gardens for the duration of your booking.

Meeting Rooms

Boardroom:

The Boardroom is located next to our reception and is an ideal room for small meetings or interviews. Ideally suited as a breakout room for larger meetings in one of our other suites.

The Boardroom can cater for up to 25 people, depending on the style of setup, and it measures 9m x 5m.

Our previous clients have spoken positively about it, saying 'The Boardroom was perfect for our requirements, we needed a small meeting room for interviews and we had tea, coffee and lunch pre-ordered to the room. Everything about the service on the day was brilliant.'

Refreshments

Our scrumptious selection of refreshments include breakfast and mid-morning choices of teas, coffees and pastries to afternoon or evening options of finger food and bespoke private dining menus.

Our menus have been specially designed by our Head Chef Eric Ward with flexibility in mind and packed with ingredients sourced from local producers. Each of our menus can be catered to your specific needs and your breaks can be served in your meeting room or in a public area.

2022 and beyond...

So far, 2022 has seen huge developments for Talbot Hotel Middleton. The most exciting of which has been our complete renovation of The Park Bar to the brand new Park 89 Bar & Bistro. A huge investment of over €500,000 has resulted in modern, vibrant decor throughout a new layout with additional seating areas and booth seating, a repositioned open kitchen, private area - ideal for get-togethers, 6 large screen TVs and so much more.

We couldn't renovate our bar & restaurant without updating our food and drink offering. We have just launched a brand new menu, with the addition of brunch, served daily from 9am - 12 noon, a packed all day menu, served from 12 noon onwards and a spectacular selection of cocktails too.

In August of this year, we are starting the next major project which involves the restoration of our atrium - the corridor leading from the our reception desk down to our bedrooms. This project will also include the remodeling of our Boardroom and overhaul of our AV capabilities.
